**Denise NEARY, PhD****Professor, Doctoral Studies Coordinator****(Royal Irish Academy of Music, Dublin, Ireland)**

Professor Denise Neary is Doctoral Studies Coordinator at the Royal Irish Academy of Music. She was previously Senior Lecturer in Music at Canterbury Christ Church University, UK. At the RIAM Denise is responsible for the guidance and academic supervision of students and delivering modules in research methods and musicology. She organises the guest lecture series at the RIAM featuring eminent international scholars and musicologists.

Denise was a council member of the Society for Musicology in Ireland (2009-2024) and Honorary Treasurer of the Society (2015-2021). She is a member of the RILM National Committee of Ireland and a founding member of the steering committee of Performance Research Ireland and, with colleagues in Finland, Lithuania, Estonia and the UK, the international "Doctors in Performance" festival conference. In 2020 she was appointed to the advisory board for Irish Musical Studies. Denise's research focuses on music in Ireland and Britain from the seventeenth to the nineteenth centuries. She is also interested in the development of artistic research in music in Ireland. Denise has published her work in *Irish Musical Studies*, *Journal of the British Institute of Organ Studies*, *Proceedings of the Conferences of the Society for Musicology in Ireland* and is a contributor to *The New Grove Dictionary of Music and Musicians* (2nd edn) and the *Encyclopedia of Music in Ireland*.

**Krisztina LAJOSI-MOORE, PhD****Senior Lecturer, Researcher/Research Coordinator,****Modern European Literature and Culture****(University of Amsterdam, Amsterdam, The Netherlands)**

Dr. Krisztina Lajosi is a Senior Lecturer and Research Coordinator in Modern European Culture at the Department of European Studies, University of Amsterdam. Her research is focused on the interactions between culture and politics, specifically on how opera and music contribute to formations of collective identities.

Her interdisciplinary research aims to create innovative insights into understanding societal changes by creating synergies among various disciplines. Krisztina's major publications include titles such as *The Extension of Traditions: King Stephen I of Hungary and the Politics of Cultural Nationalism, in Networks, Narratives, and Nations: Transcultural Approaches to Cultural Nationalism in Europe and Beyond* (Amsterdam University Press, 2022) or *The transnational circulation of digital nationalism, a special issue for Nations and Nationalism* 27:4 (2021).
